MISSISSIPPI

A Cool Proposition. The Alabama Times says that "negotiations have been pending between the Mobile and Ohio, and Paducah and Gulf railroad companies, contemplating the conversion of the latter

road." be somewhat interested in this pretty little scheme. In fact, since it may be defeated without incurring any risk of loss, tunes a bond or expend a dime till this end | tion for the Assembly. of our Paducah road is finished to Covington, and since Memphis is deeply interested in having the shortest possible route from the East to Marshall, Texas, pass through this cently written by him for the press city-in view of these facts It is very probable that the people of this city will accept propositions made by the Mesers. Norton, and save the Moblie and Ohio company any trouble on that score. Memphis has suffered enough because of lateral roads like the Mobile and Ohio, and Mississippi Central, and it is hardly probable, if there be a way of escape, that we will suffer the county of Shelby to loose the \$300,000 in at the same time permit the most valthrough this place, to be diverted to twenty-five. Mobile. Memphis has not yet lost head fore we pay a dollar.

Str Walter Scott. The influence of the Scottish mind upon English speaking races is felt in gineer corps of the Northern Pacific all parts of the world, by all classes, high and low, rich and poor, manuture the "land o' the leal" has at- every obstacle in the way of a prelim tained a proud pre-eminence. Her black a proud pre-eminence. Her Washington, June 21.—Important action has been taken at the Inand traditional past to the days of dlan office, which, it is deemed certain, Colin Campbell, have nobly sustained a fairly won reputation for courage,

General Sherman has advised the endurance and skill. On the sea, as withholding of all supplies from the on the land, the sons of "auld Scotia" Indians but those actually on reserva-have upheld her renown for prowess tions, and an order has been issued acand an unconquerable love of free cordingly. Officers are to be allowed dom. Scotsmen have reason to be proud of their country. It is among the foremost in education, in agriculture eral Serman, an order has also modern industry and progress, all the trial. result of free thought and earnest labor. Washington, June 21.—General bor. What Scotland has done for our Sherman has returned from his tour literature it would be impossible in Southwest. He considers the appremust live forever. Such is the verdict of a grateful people, who never can forget the sublime utterance,

"The gowd is but the guinea's stamp . A man 's a man for a' that," Burns, the poet of the people, will endure; Scott, who first brought the novel and romance to subserve the interests of education, and who is justly of the Government, trading with un-regarded the father and founder of licensed white men of the border. that species of literature, will, too, bold a high place in the esteem of move farther north, 100 miles, to near coming generations as a real wizard, Raw Hide Buttes, where the Commis whose conjurations are to remain sioner promised him an annuity of among the happiest efforts in the liter-ature of our language. Burns' anni-The Sioux regard this as surrenderversary has been celebrated in every ing just 100 miles more of their counpart of the world with eciat, and now try, and Red Cloud said he would it is proposed to celebrate Scott's centennial birth-day. In Edinburg, It is in accordance with the treaty, where the idea first originated, pre- and for this reason the Commission parations for this event are upon a scale commensurate with the reputation of the great novelist and the review is held to be said when here, that he didn't understand the treaty, and erence in which his memory is held by his countrymen. Not alone in Scotland, but in the United States, it is proposed to honor the Brunot within two moons. memory of Scott with such pubtic ceremonies as will best accord with his character and labors; and Memphis, our Scottish residents the McGehan murder case, after beir the United States. We, too, are to to facts. have our Scot celebration. It will be a grand sfisir. Colonel Alexander, who is charged with its conduct, has destroyed the cotton crop of the coun-
